

Next-generation payments created for the maritime industry.

The MarTrust e-wallet enables shipping companies to reduce cash-to-master transactions and improve the payroll process.

The payment solution created for companies, captains and crew.

Our integrated payment services combine maritime experience with modern pre-paid card and e-wallet technology to give you more control.

Our virtual wallet has been designed for the needs of today's Captains. This is a corporate solution meant for Captains, Superintendents and travelling employees' corporate expenses. The funds are directly controlled by your organisation.
