**99%+**

Payment success rate

# Maritime-focused service excellence

Perform secure transactions at a low cost and pay your suppliers around the globe in over 130 currencies with the Xafe™ payment platform.

Payments are safeguarded by our first-class compliance service, which pre-screens each transfer to help ensure payment reaches its intended destination. We also handle all bank communications.

Our customers enjoy significant financial benefits, such as FX and banking-related savings, in addition to substantial time savings through process improvement and streamlined payment workflows.

## Benefits for shipping companies include:

### Enhanced compliance

Better than bank-grade compliance, from maritime specialists.

Beneficiary information pre-screening and payment file cleaning.

Country-specific payment processing expertise with daily updated sanction information.

Anti-fraud risk mitigation.

### Dedicated service

Proactive customer support from a team with extensive payments and maritime experience.

Fully automated and web-based payment platform.

Automated notification to beneficiaries.

### Improved efficiency

Over 99% accuracy rate for all types of payment transfers.

Centralised payment management and decreased manual workload.

We handle all bank communications.

### Significant savings

Reduction of bank fees.  
Full transparency with no hidden charges.

Competitive FX rates (processed in 130 local currencies).
