MONAVATE DEBIT CARD & E-  
WALLET  
TERMS & CONDITIONS  
FOR MARTRUST – SEAFARER  
PROGRAMME

## **Monavate Debit Card and E-wallet Terms & Conditions for the MarTrust – Seafarer Programme**

### **1. Introduction**

This Agreement contains the terms on which Monavate provide the Services to you, as part of the MarTrust Seafarer Debit Card and E-Wallet Programme.

**Please read this Agreement in full before you start using the Services.**

It contains important information about us, the Services we will provide to you, how we work with MarTrust, the circumstances under which this Agreement may be changed or ended, what to do and how to access help from us or MarTrust in the event there is a problem, as well as other relevant information.

Please contact us via the details below if wish to discuss this Agreement. You can also contact MarTrust too, who will support you in the first instance as the Seafarer Programme provider responsible for customer service. You can do this via the MarTrust App or through the contact information provided in the MarTrust Seafarer Terms and Conditions.

This Agreement refers to other documents that apply to the use of the Services as follows:

MarTrust Seafarer Terms and Conditions – <https://www.martrust.com/wp-content/uploads/2024/05/MarTrust-Crew-Account-Terms-and-Conditions.pdf>

MarTrust Privacy Policy – <https://www.martrust.com/privacy-policy/>

Monavate Privacy Policy – <https://www.monavate.com/privacy-policy>

These additional documents are not part of the Framework Contract between you and us. You also have a separate Framework Contract with MarTrust in respect of the Martrust Services too.

By starting to use the Services (including, for example, downloading and logging into the MarTrust App and then, accessing your E-wallet or otherwise using a Card to transact) you confirm that you accept and agree to this Agreement (including any updates to this Agreement and the other documents referred to above. We will always notify you of any updates to this Agreement).

**MarTrust Services** means the additional services provided by MarTrust via the MarTrust App, relating to payment processing, currency conversation, customer support and helping you get paid via the Funding Arrangement, and such other related services. Further information about the MarTrust Services is in the MarTrust Seafarer Terms and Conditions – which are available via the link at **1. Introduction** above, through the MarTrust App, website, or from MarTrust directly.

**MarTrust Seafarer Terms and Conditions** means the terms and conditions between you and MarTrust which can be accessed via the link in **1. Introduction**, amongst other things this document includes information in relation to use of the MarTrust App and MarTrust Services – it is important that you read and familiarise yourself with the MarTrust Seafarer Terms and Conditions.

**Services** means the Card, E-wallet and other services provided by us to you in connection with the Card and the E-wallet, this includes the transfer (and receipt) between different E-wallets within the MarTrust seafarer programme (for example: if a crew member sends you funds).

**Supported Currencies** means those foreign currencies that we support and can be delivered to your E-wallet for spending via the Funding Arrangement, or from other E-wallets within the MarTrust seafarer programme (for example: if a crew member sends you funds). Your E-wallet may have multiple supported currencies.

#### **4. Getting started**

You will receive an invitation to start the MarTrust App and Service application process and onboarding user experience from MarTrust, either via email or other agreed form of communication. The MarTrust Seafarer Terms and Conditions provide further information about this process.

MarTrust will initially contact your Employer as part of this process to determine scope and requirements of the Seafarer programme and Funding Arrangement, MarTrust will also liaise with you (and your Employer) as part of the application process to gather all such information and detail as MarTrust (and Monavate) reasonably require to determine your application for the Services and, if you are accepted, provide the Services to you.

MarTrust (or Monavate) may also request additional information from time to time to meet our regulatory requirements. If this is requested you agree to provide accurate and correct information as soon as possible.

In relation to the application process and onboarding user experience, please note:

- 4.1. Eligibility:** In order to be eligible to use our Services, you must be at least 18 years old and satisfy the requirements of MarTrust for you to join the Seafarer Program as more specifically set out in the MarTrust Seafarer Terms and Conditions. In order to start using our Services, once accepted, you will need to follow the steps set out in the Martrust App.
- 4.2. Verification:** We are required by law to verify certain details about you. We will not issue a Card or open an E-wallet until we or MarTrust have verified your identity and performed such other checks as we or MarTrust may in our discretion deem appropriate.
- 4.3. The information you provide must be accurate:** The information you provide must be accurate, complete and truthful at all times. If your personal information changes, then you must update the information we hold about you, you can do this by liaising with MarTrust and using the MarTrust App. We may require additional information from you from time to time and you must cooperate by providing such information upon request.
- 4.4. Electronic checks with third parties:** We may share information which we receive from you with other associated organisations or carry out checks on you electronically as is necessary for the purposes of providing the Services. When we perform electronic checks, we may disclose personal data about you to fraud prevention and credit reference agencies who may keep a record of that information. By applying for our Services, you agree to certain personal data about you being passed to such agencies for this purpose. You have the right of access to the personal records held by such fraud prevention agencies. We will supply the names and addresses of the agencies we use upon written request.
- 4.5. You must comply with laws applicable to you at all times.** You must comply with laws applicable to you at all times, including when applying for the Services, throughout the term of this Agreement and for as long as we hold a balance of funds for you after this Agreement ends.

## 5. About the Card and E-wallet

### 5.1. Description

- The Card and the E-wallet are issued by us – Monavate Limited, with MarTrust acting as our introducer. Please see our company's details and information about the introducer arrangement in **Section 2 (Who we are and how to contact us)**.
- MarTrust, works with Monavate to load funds into your E-wallet via the Funding Arrangement as part of the MarTrust Services, you may be entitled to a Card as well as an E-wallet. You may also receive funds into your E-wallet from other MarTrust App users.
- Further information about this is available in the MarTrust App, you can also contact MarTrust directly to discuss the Funding Arrangement and how MarTrust works with your Employer.

### Card

- The Card is a debit payment card that can be used for online and in-store purchases worldwide at merchants who accept Mastercard cards as a form of payment for goods and services.
- The Card is not a credit card or a charge card, it is not issued by a bank. Transactions made using the Card will be debited from the balance of funds held in the E-wallet (so no funds are held on the Card). You must ensure any use of the Card does not cause your E-wallet to become overdrawn, as you must only spent those funds loaded to the E-wallet.

### **E-wallet**

- The E-wallet is an E-Money account, which will be funded by MarTrust via the Funding Arrangement with your Employer or through transfers from other E-wallet holders who are part of the MarTrust Seafarer Programme (for example: your fellow crew members). You cannot add funds to your E-wallet yourself from an external bank account.
- No interest is payable to you on the balance of funds held in the E-wallet; nor does the balance of funds held in the E-wallet constitute a deposit.
- The E-wallet does not provide you with any form of overdraft feature, you must only spent those funds loaded to the E-wallet, and any such spend must have regard to Fees payable. Please note **6.8 Shortfall** in respect of situations where a transaction may complete where you have insufficient funds in your E-wallet.
- The E-wallet may be used to transact (for example: with other E-wallet holders in the MarTrust Seafarer Programme; to other payment accounts or, if you have one, using the Card). You will need funds in your E-wallet to do this.
- Each time you transact using the E-wallet or the Card, the balance of funds held in the E-wallet will be debited by the amount of the transaction plus any applicable Fees.
- In addition to USD, you may load your E-wallet with funds in different Supported Currencies. We do not support all foreign currencies. A list of supported currencies is available in the MarTrust App.
- **Please note:**
  - The funds held in your E-wallet are **NOT protected by the Financial Services Compensation Scheme** as Monavate is not a bank.
  - However, we follow the requirements of the Electronic Money Regulations 2011 which are designed to ensure the safety of funds held on E-wallets and accounts that store E-Money such as this, we do this by safeguarding your funds.
  - Safeguarding involves us segregating our own funds from your funds (and the funds of our other customers) we do this by storing funds corresponding to available E-wallet balances (the E-Money) within our own client money bank accounts with regulated third party banks.
  - Safeguarding helps provide you protection if we become insolvent. If this occurred, the Electronic Money Regulations 2011 require your safeguarded funds to be returned to you from our client money bank accounts, once the costs of insolvency are paid.

## 5.2. What happens in cases where there are insufficient funds in my E-wallet?

- If you attempt to send money from the E-wallet or pay for a purchase using the Card and you have an insufficient balance of funds held in your E-wallet to make that payment, the payment will be **declined**.
- You must have a sufficient balance of funds held in your E-wallet to make a payment (including covering payment of any Fees). The balance of funds held in your E-wallet must not be negative.
- If you attempt to make a payment using the E-wallet or Card in a particular currency and you do not hold a sufficient balance of that currency in the E-wallet or the payment otherwise anticipates a currency that we do not support, the payment will be automatically processed using a balance of another currency that you do hold in your E-wallet and a currency conversion rate will be applied via the MarTrust App. (please see section 9.3 for currency conversion rates).
- If you do not hold a balance in another currency upon which to draw funds to cover a payment, your payment will be declined.

## 6. Use of the E-wallet and the Card

### 6.1. Accessing the Services

You may use the Services and access information about your E-wallet and any related Card by logging into the MarTrust App, this will also allow you to review your transaction information.

### 6.2. How to authorise a payment

You will need to authorise a transaction before we can charge it to your E-wallet.

**6.2.1. Authorising payments made using your E-wallet:** To authorise a payment you must follow the relevant steps displayed in the MarTrust App at the time of transacting.

**6.2.2. Authorising payments made using your Card:** To authorise a payment made using the Card, you will need to use the Card or the Card number. You may need to take additional steps to authorise a transaction at the time you are paying, for example, you may need to enter details on a merchant's online payment page, tap your Card at the point of sale in-store, enter your PIN on the key pad or follow other forms of verification as directed as part of the check-out experience. Depending on the circumstances, you may be required to undergo some further security checks at the time such as providing biometric data (e.g. a fingerprint).

If the Card, card number and PIN, biometric data or other security details have been used, we will assume you have authorised the transaction. You must therefore tell us and MarTrust immediately if you do not recognise a transaction that has been charged to your Card and is listed as a transaction in your secure personal log in area of our website.

**6.2.3. You cannot cancel a transaction after it has been authorised.** You can, however, cancel payments that you have authorised to be made on a future date, for example, if you have set up a recurring payment. You can cancel the payment permitting you contact MarTrust via the App or details set out in the MarTrust Seafarer Terms and Conditions by the end of the business day before the day the payment is due to be made.

### **6.3. Situations where we may refuse to authorise a transaction**

There are certain situations in which we may refuse to authorise a transaction and/or where we may suspend your use of your Card and/or the E-wallet. These situations are:

- if MarTrust as the programme manager requires us to do so;
- if legal or regulatory requirements prevent us from making the payment or mean that we need to carry out further checks;
- if you have infringed this Agreement in a way that we reasonably believe justifies our refusing or delaying your payment;
- if we believe that processing your transaction would break this Agreement or that you have not provided all the information we need to make the payment properly;
- if the amount is over, or would take you over, any limit that applies to your E-wallet and/or Card. See limits at: <http://www.martrust.com/account-fee-and-limits-schedule/>
- if there are not enough funds loaded into your E-wallet to make the payment and cover any Fees;
- if a bankruptcy order is made against you or you have entered into an individual voluntary arrangement with your creditors;
- if, even after doing everything reasonably possible, we will not be able to make the payment on time;
- if a third party prevents us from making the payment (for example, a card scheme);
- if you owe us money;
- if we have asked you for important information we reasonably need and you have not given us that information; or
- if we have suspended your account.

We (and MarTrust) reserve the right to change particular payment restrictions from time to time, without notice to the extent required to meet regulatory and legal obligations, for example due to money laundering or fraud risks.

### **6.4. Time we will receive the payment order**

Payment orders under this Agreement are received without any cut-offs, therefore, your payment order will be deemed received on the same business day at all times.

### **6.5. Execution times**

Where MarTrust do not process the transaction, the following execution times shown in this clause 6.5 will apply:

**6.5.1.** Within the EEA and UK, we will execute any transaction:

- a. in euro;
- b. executed wholly in the UK in sterling; or
- c. involving only one currency conversion between the euro and sterling, provided that:
  - i. the required currency conversion is carried out in the UK; and
  - ii. in the case of cross-border transactions, the cross-border transfer takes place in euro, by transferring the amount of the transaction to the payment service provider of the payee by the end of the next business day following the receipt of the payment order.

**6.5.2.** Any other transactions within the UK will be executed no later than four business days following the receipt of the payment order.

**6.5.3.** If the payment service provider of the merchant is located outside the EEA, we will execute the transaction as soon as possible.

## **6.6. Limits placed on the E-wallet**

There may be limits on the amount of funds you can hold in an E-wallet. We may also place limits on using the E-wallet and/or the Card for payments above a certain amount, from time to time. For further information relating to the limits placed on the E-wallet and/or the Card, please see the following: <https://www.martrust.com/account-fee-and-limits-schedule/>.

## **6.7. Accounting for service charges or tips when using the Card**

When using your Card at certain merchants (such as, for example, hotels or car rentals), an additional amount (typically 10%-20%) may be added to anticipated service charges or tips, temporarily reducing the balance of funds held on the E-wallet. This is to ensure there are sufficient funds available to cover the final cost of the transaction and to reduce the risk of a negative balance arising on the E-wallet. If your actual service charge or tip is less than the additional amount added, it may take up to seven (7) days from the date of the transaction before the difference is available to spend. Only the actual amount of the final bill agreed between you and the merchant will be deducted from the funds held on the E-wallet.

## **6.8. Shortfall**

In the unlikely event, a transaction is completed when there are insufficient funds in the E-wallet for that transaction (a "**Shortfall**"), the Shortfall shall be reimbursed by you unless it is due to an error on the part of the Merchant where the Card was presented, in this circumstance we may seek the Shortfall from the Merchant.

You agree that once we or MarTrust make this Shortfall known to you, we or MarTrust, as the circumstances may require, may charge you for the Shortfall amount and deduct the amount from the balance of funds loaded into the E-wallet or via the Funding Arrangement. We may also charge the amount of the Shortfall from any other E-wallets that you hold with us or MarTrust or against any funds subsequently loaded into the E-wallet. Until we (or MarTrust) are reimbursed the Shortfall amount, we or MarTrust may suspend the E-wallet and the Card. In addition, we and MarTrust reserve the right to charge you an administration Fee for each transaction that you make

using the E-wallet and/or Card that results in a Shortfall or increases the Shortfall amount on the E-wallet.

For the avoidance of doubt, MarTrust and Monavate shall have the right to set-off, transfer or apply funds held in the E-wallet or received via the Funding Arrangement towards the satisfaction of any Fees or other liabilities (including a Shortfall) owed by you to either MarTrust or Monavate that you have not otherwise paid when due.

### **6.9. Service Interruption**

Your ability to use or access the Services (and MarTrust App and MarTrust Services) may be interrupted on occasion, for example if we or MarTrust need to carry out maintenance in relation to the Services (or MarTrust Services). Please contact MarTrust in the first instance (or Us via the details above) if you experience problems with the Services or the MarTrust App.

## **7. The Card will expire**

You may only use your Card up until the expiry date which is printed on the front of the physical Card and shown in the MarTrust App, thereafter you must not use the Card. We will aim to send you a new Card prior to your Card expiring; but we or MarTrust may ask you to confirm some details prior to our sending you a new Card, for example due to applicable law and regulation.

You will still be able to receive and send funds to and from the E-wallet associated with the Card if it expires.

Fees may apply in certain cases where we send you a new Card. Please see the Fees set out at: <http://www.martrust.com/account-fee-and-limits-schedule/>.

## **8. Withdrawing funds held in your E-wallet**

### **8.1. How to withdraw the funds held in your E-wallet**

You may withdraw funds held in your E-wallet via the MarTrust App and following the relevant prompts on the screen at the time of transacting. You may only withdraw the balance of the funds held in the E-wallet at any point in time minus the amount of any pending transactions.

### **8.2. Fees will apply to withdrawing funds**

You may be charged a Fee for withdrawing funds. Please see the Fees page available at: <http://www.martrust.com/account-fee-and-limits-schedule/>

### **8.3. Withdrawing all funds will not mean that your E-wallet is closed**

Withdrawing all of your funds from your E-wallet does not automatically close the E-wallet, the Card or otherwise end this Agreement. If you would like to end this Agreement, you must follow the steps in section 16 (closing your E-wallet and ending this Agreement).

## **9. How much will you pay**

**9.1. Fees:** You must pay the Fees in connection with your use of the Services. We will not process your payment until we have received the relevant fees from you. You can see all Fees applicable to you at <http://www.martrust.com/account-fee-and-limits-schedule/>.

**9.2. Interest:** The funds in your E-wallet will not earn any interest.

**9.3. Exchange rates:** You may hold balances of funds in different currencies in your E-wallet. If you are making a payment or withdrawing funds in a currency you hold in the E-wallet, the payment will be made from that balance. If you want to make a payment or withdraw funds in a currency you do not hold in your E-wallet, please follow steps in the MarTrust App to review currency exchanges options available to you, this is provided as part of the MarTrust Services and is subject to certain Fees, you will receive information on the MarTrust exchange rates as part of that process, this includes a margin that is charged..

## 10. Communicating with you

MarTrust as the manager of the Seafarer Card and E-wallet programme is responsible for customer support and will be your first point of contact in most circumstances. On occasion, however, we may need to contact you. If so, we will follow the steps in this section:

**10.1. How we will contact you:** We may contact you by telephone, letter, SMS or email using the details that you have provided in the MarTrust App that are made available to us. You must keep your contact details and other personal information in the MarTrust App up-to-date at all times.

**10.2. Information:** Where we are required to provide information to you on a durable medium, a notification will be sent via the MarTrust App directing you to information in a way that enables you to keep that information, unchanged, and refer to it in the future, such as pdf. Please keep copies of information provided by us to you. If you would like us to provide information in a different manner than agreed, then we may charge you a reasonable administration Fee to cover our costs.

**10.3. Language:** We will communicate with you in English.

**10.4. Your right to receive a copy of this Agreement:** A copy of this Agreement is always available in a form to download on the MarTrust website and the MarTrust App. You can also access it within the MarTrust Seafarer Terms and Conditions. Alternatively, please contact us or MarTrust if you need assistance in obtaining a copy.

## 11. Keeping your card safe

### 11.1. Steps you must take to keep your E-wallet and Card safe

**You must take adequate measures and use best efforts to prevent unauthorized access/use of the Services:** To help you keep your E-wallet and Card secure, you are required to:

- keep your Card, Card number, CCV, PIN, login and access codes and other security features used to access the E-wallet strictly to yourself; do not share your security credentials to access the E-wallet with any other person or otherwise allow another person to use the Services;

- not permit any other person to use your E-wallet and/or Card;
- make sure all your devices are properly protected (set at least one form of access protection, for example a login code);
- keep the operating systems of your devices clean (no illegal software) and up-to-date;
- frequently review the list of transactions in your E-wallet to confirm they are as expected as per your spending;
- inform yourself about common scams, such as phishing;
- always immediately report irregularities by contacting MarTrust and follow instructions provided to you.

You can retrieve E-wallet and Card information within the MarTrust App, such as our PIN.

### **11.2. How to notify us if there is a problem**

If you lose the security credentials used to access your E-wallet or your Card details or if they are stolen, or you suspect that the E-wallet and/or Card has been used by someone other than you, you must contact MarTrust immediately via the MarTrust App (if you are still able to access this) or by contact details available in the MarTrust Seafarer Terms and Conditions, so your Card and/ or access to your E-wallet may be blocked. If possible, you must access the MarTrust App and suspend use of your Card.

Please note that MarTrust or we may require you to provide some information in relation to your security credentials and/ or Card being lost, theft or misuse in writing. You must assist with any related enquiries.

### **11.3. How we will contact you if there is a problem**

In the event we/MarTrust suspect there is an issue with the E-wallet and/or Card (for example, such as fraud or security threats) you will be contacted, in the first instance, by phone. If we cannot get through to you by phone, we will send you an email or you will be contacted via the MarTrust App.

For this reason, you must maintain a current phone number and email address in your secure personal log in area of our website.

## **12. Unauthorised or incorrectly executed transactions**

In case of an unauthorised payment or where we have incorrectly executed a transaction, upon your request, we will, without delay, refund to you the amount of the transaction including all Fees that we have charged for that particular transaction and return your E-wallet to the state in which it would have been had the payment or transaction not have taken place. You will not be entitled to a refund from Monavate or MarTrust under this section:

- (a) where your Card, or the personalised security features used to access your E-wallet, are lost, stolen or misappropriated. You will be liable for the first GBP 35 of any unauthorised payments if we believe you should have been aware of the loss, theft or unauthorised use. We will not hold you liable for the first GBP 35 if the unauthorised payment was caused either by our acts or omissions, or those of a third party expressly carrying out activities on our behalf.

Your liability for the first GBP 35 also does not apply to any unauthorised transactions made after you have notified us that the security of your Card or E-wallet has been compromised;

(b) if you have acted fraudulently, in which case we will not refund you in any circumstances;

(c) if the payment transaction was unauthorised but you have with intent or gross negligence compromised the security of your Card or E-wallet or otherwise failed to comply with your obligations to use your Card or E-wallet on the terms of this Agreement. In such a case you shall be solely liable for all losses;

(d) if the details of the payee's account provided by you were incorrect or we can prove that the full amount was duly received by the payee's payment service provider; or

(e) if you do not let us know about the unauthorised or incorrectly completed transaction without undue delay, and in any event, no later than 13 months from the date of the payment transaction.

If at any time we have incorrectly deducted funds from your E-wallet, we shall refund the amount to you. If we then establish that the refunded amount had been correctly deducted, we may deduct it from your E-wallet and may charge a Fee. If you do not have sufficient funds in your E-wallet the **Shortfall** provisions in **Section 6.8** shall apply.

## 13. Refunds

**13.1.** You may claim a refund for a transaction that you authorised provided that:

- a. your authorisation did not specify the exact amount when you consented to the transaction;
- b. the amount of the transaction exceeded the amount that you could reasonably have expected it to be (taking into account your previous spending pattern using the Services, this Agreement and the circumstances of this case);
- c. you requested a refund by contacting MarTrust ([help@martrust.com](mailto:help@martrust.com)) within 8 weeks of the date the transaction took place.

**13.2.** When you request a refund under this section, MarTrust may require you to provide evidence to substantiate your claim. MarTrust will refund you within 10 business days of receiving your claim for a refund or, where applicable, within 10 business days of receiving any further information we requested - or we will provide you with reasons for refusing the refund. The refund shall be equal to the amount of the relevant transaction.

**13.3.** If you are not satisfied with the reasoning provided for refusing a refund by MarTrust or with the outcome of your claim, you may submit a complaint or contact the Financial Ombudsman Service (please see **Section 20** for further information).

## 14. Our right to make changes to the Agreement

We may, at our discretion, amend the Agreement at any time (including amendments and additions to Fees).

**14.1. Changes that we may make immediately:** In certain exceptional circumstances such as where:

- a. we have a reasonable belief that fraud is likely to or has occurred; or
- b. the amendments are made in order to comply with any regulation,

we may make such amendments immediately and notify you following such amendments.

**14.2. Changes we may make upon notice to you:** Other than for immediate changes as set out above, if we wish to make a change to this Agreement, we will provide you with at least two (2) months' notice in writing, via email.

**If you do not agree to our proposed changes, you have a right to end the Agreement immediately free of charge. If you do not notify us of any disagreement with the proposed changes, we may assume you accept the changes to the Agreement on the date the change comes into force.**

## **15. Our right to suspend access to the Services and/or close the Card and E-wallet**

We or MarTrust may close your Card and E-wallet or otherwise suspend access to the Services immediately, for such period of time considered to be reasonably required, in the following circumstances:

- if MarTrust as the programme manager require us to do so;
- if we/MarTrust consider, acting reasonably, that you are behaving fraudulently or otherwise criminally or will use (or allow to be used) the Services or MarTrust App in such a way;
- if you have not given any information we or MarTrust have requested from you, or we or MarTrust have good reason to believe that information you have provided is incorrect or not true;
- if you have broken this Agreement in a serious or persistent way and you have refrained from putting the matter right within a reasonable time of being asked to do so;
- if we or MarTrust have good reason to believe that you continuing to use your Card and/or E-wallet, Services or MarTrust App could damage either of our reputation or goodwill;
- if we have asked you to repay money you owe and you have not done so within a reasonable period of time;
- if you have been declared bankrupt; or
- if we have to do so under any law, regulation, court order, the police, or the FCA or FOS's instructions or such other relevant governmental or regulatory authority.

In addition to those rights to suspend or close set out above, we (or MarTrust) may terminate this agreement and your use of the Services and MarTrust App by providing you with at least 2 months prior notice.

You will be notified of the reason for closure or suspension of the Services via the Martrust App or email communication, subject to applicable law and regulation and security measures permitting such notification to be made.

If the reason for suspension is resolved or otherwise no longer apply or exist, the Services and your E-wallet and Card will be reinstated as soon as reasonably practicable.

## 16. Closing your E-wallet and/or Card and ending this Agreement

**16.1.** You may close your E-wallet and end this Agreement at any time. You may close your immediately E-wallet and end this Agreement at any time. You may do this via the MarTrust App or by contacting MarTrust in accordance with the MarTrust Seafarer Terms and Conditions. You do not need to give prior notice of this.

**16.2.** You must withdraw your funds from your E-wallet within a reasonable timeframe following notification of your intention to close your E-wallet by following the steps as to how to withdraw the funds held in your E-wallet as set out in section 8. After a certain period of time, you may no longer have access to the relevant features in the MarTrust App in order to follow the steps to withdraw the funds remaining in your E-wallet after closure. You may still, however, withdraw this money for up to six (6) years following the date this Agreement ends (see **Section 17** on how to redeem your funds).

**16.3.** You should destroy your Card once the Agreement has ended too.

## 17. Redeeming the funds held in your E-wallet

**17.1.** If you have funds held in your E-wallet after this Agreement has ended, you may withdraw these funds for up to six (6) years following the date the Agreement ends.

**17.2.** If there are still funds held in your E-wallet 12 months following the end of this Agreement, we will start deducting a Fee that will cover our costs in order to maintain this balance for you until such time as you redeem your funds.

**17.3.** If you wish to redeem your funds after this Agreement has ended and you no longer have access to the relevant sections of the MarTrust App, please contact MarTrust for help.

**17.4.** If you request to redeem your funds after this Agreement ends, we may need to carry out some checks prior to sending the funds to you, due to applicable law and regulatory requirements. We may therefore ask you to provide some information to us at this time, such as identity documents.

**17.5.** We may charge you a Fee for redeeming your funds held in your E-wallet if you request to redeem those funds whilst this Agreement is in place or where you request redemption of the funds held in your E-wallet more than 12 months after this Agreement has ended.

## 18. Liability

If we do not reasonably meet our commitments to you under the terms of this Agreement, we are only responsible for loss you suffer that is a foreseeable result of our breaking this Agreement or our failing to use reasonable care and skill to meet our commitments or otherwise provide the Services. We are not responsible for any loss or damage that is not foreseeable.

We do not exclude or limit liability for death or personal injury caused by our negligence or the negligence of our employees, agents or subcontractors; for fraud or fraudulent misrepresentation; or such other matters that may not be excluded or limited due to legal or regulatory requirement.

The E-wallet and the Card are consumer products; accordingly, if you use our Services for any commercial or business purpose we will have no liability to you for any loss of profit, loss of business, business interruption, or loss of business opportunity.

## **19. Law governing this Agreement and jurisdiction**

19.1 The law governing this Agreement is the law of England and Wales.

19.2 The courts of England and Wales have jurisdiction to adjudicate any dispute between you and us in connection with this Agreement.

## **20. Dispute resolution**

Monavate and MarTrust focus on providing excellent customer experience to all. If you consider your expectations have not been met, please let MarTrust know.

If you are not satisfied with the service you receive, contact the MarTrust customer service team either via the MarTrust App or at [help@martrust.com](mailto:help@martrust.com), who will do their best to resolve the matter quickly and fairly.. Correspondence may be monitored or recorded.

If having received a response from the MarTrust customer services team you are unhappy with the outcome, please contact the MarTrust complaints team through <https://www.martrust.com/complaints>. MarTrust complaints procedures is available via the MarTrust App.

If you wish, you may also contact the Monavate customer service team via the details at the start of this Agreement if you are not satisfied with the MarTrust customer service term outcome in relation to the Services. Our complaints procedure is available on our website or upon request from us.

If either we or MarTrust receive a complaint from you, a copy of the complaints procedure will automatically be sent to you anyway.

Once received your case will be looked at as quickly as possible. Both MarTrust and Monavate have regulatory responsibilities to handle complaints within certain timeframes. MarTrust will acknowledge a complaint within 24 hours and you will receive a final response within 15 business days. In rare occasions, this deadline may need to be extended by a further 20 business days to investigate your case in detail.

If, having exhausted the complaints procedure above, you remain unhappy, you may complain to the Financial Ombudsman Service (FOS) on the following contact details:
